You think you've known love like mine

Lips unknissed

Frozen dancers

Empty arms

There's nothing left

Left of me

Dried teardrops on the floor

Stains where I was once before

This song forevermore

Always unsung

Always undone

Nothing but these dreams

Dividing me against myself

All these days

Fading away

Fading away

Beauty's everlasting glow

Burned into the back of my eyes

I Know

I Know

We drove this car as far as we could

No more road

No more road

This slow beat
Walks me home
Where I must
Where I must have been
Been before

You said we were a dream come true
A dream come true
Designed by minds
Bound by love
Raining down
Raining down
Guess I'll just go away
No one wants me anyway
No one wants me anyway

A whisper of a song
No one sings
No one dares
No one cares
Or so it seems

I'm breaking apart
I'm breaking apart
A tin man's heart
A tin man's heart

A sea of silence deafens me
To the core
To the core
I can't breath anymore
Anymore

And so I go
And so I go
And so I go away
